WARDROBE DOORS NOTES

- Price based on the number of doors required within the width
- If you have an 1800mm opening, double doors may not provide a wide enough opening for your needs, a triple door and track solution would allow wider access.
- Tracks longer than 2700mm, the track will need to be split and joined to accommodate delivery and require professional installation by Civic.
- Our tracks are installed with end caps to ensure no scratching and to provide a clean finish.
- Painted Glass: colour match to:
  - Australian Colour Standards
  - Australian Dulux Colours
- A Special Order refers to a non-standard product that is available by request. These items typically require a minimum order quantity, are subject to availability, and may incur additional costs and extended lead or processing times.

CUSTOM WARDROBES

Built In Robes, Walk In Robes, Custom Storage

Shelving

FIXED SHELF

Strong and secure shelving for reliable storage of clothes, accessories, and other essentials.

- Sturdy construction for long-term use
- Ideal for heavy items and bulk storage

Specifications

- Max Span without joining: 2700mm
- Max Span between supports: 1200mm
- Standard Depth: 440mm
  - Available Depths: 200-600mm

TOP SHELF

Optimise vertical space with a high-positioned shelf, ideal for infrequently used items.

- Great for storing luggage, boxes, or seasonal accessories
- Makes the most of full wardrobe height
- Neatly conceals overhead storage
- Fixed Shelf with Hanging Rail Underneath

HAT SHELF

A dedicated space for storing and protecting hats, bags and accessories, keeping them in perfect shape.

- Prevents hats from getting crushed or misshapen
- Positioned above hanging space for easy access
- Designed for easy access and visibility
- Can be customised to suit your wardrobe layout
- Fixed Shelf

SHELF WITH FRONT CLEAT

Reinforced shelving with a front cleat for added strength and a clean, built-in finish.

Specifications

- Max Span without joining: 2700mm
- Standard Depth: 440mm
  - Available Depths: 200-600mm

Types

- Fixed Shelf with Recessed Front Cleat
  - Max Span between supports: 1600mm
- Fixed Shelf with Double Front Cleat
  - Max Span between supports: 1900mm

CIVIC SHOWER SCREENS & WARDROBES

civicscreens.com.au

CUSTOM WARDROBES

Built In Robes, Walk In Robes, Custom Storage

Shelving

SHELF WITH SUPPORT

Stylish and functional shelves supported by vertical posts, gables, or shark fins for additional strength.

- Creates an open, airy feel in your wardrobe
- Visually separates sections for design impact
- Ideal for display items or curated collections

Support Types: 1201mm+

- Post (Full height, floor to underside of top shelf)
- Post with Back Support
- Full Gable (Full height, Depth 240mm)
- Half Gable (Depth 240mm, Length 1200mm, Max Capacity 100kg/m)
- Shark Fin Support (Depth 240mm, Max Capacity 50kg/m)
- Front Cleat

SHOE SHELF WITH LIP

Angled adjustable shelving designed specifically for shoes, with a front lip to keep pairs in place.

- Neatly displays footwear for easy selection
- Customisable spacing, suitable for all shoe types, from flats to boots

ADJUSTABLE SHELF

Flexible shelving that adapts to your changing storage needs.

- Easily reposition to suit different item heights
- Great for growing kids, seasonal items, or evolving layouts

GLASS SHELF

A premium shelf option offering style and visibility, ideal for accessories and display items.

- Durable toughened glass construction
- Enhances visibility of contents like jewellery, perfumes, or decor

SHELVING NOTES

- Shelf sheet length is 2700mm max. Spans larger than 2700mm will have a shelf join.
- Shelf joins must have a full height gable or drawer unit below join for support
  - A drawer unit, adjustable shelf unit can act as the gable/ support.

CUSTOM WARDROBES

Built In Robes, Walk In Robes, Custom Storage

Hanging Solutions

SINGLE HANGING RAIL

A classic solution for hanging long garments like dresses, coats, and trousers.

- Sturdy and durable for everyday use
- Maximises vertical space in your wardrobe
- Sleek design to match any interior
