SHOWER SCREENS

6MM SEMI-FRAMELESS & 10MM FRAMELESS

CIVIC | SHOWER SCREENS & WARDROBES

QBCC# 1155348

Designed for your bathroom.
Made for your space.

From minimalist frameless glass to practical semi-frameless designs, Civic offers a comprehensive range of custom-made shower screens to suit bathrooms of every style and size.

Choose from hinged, pivoting, sliding and fixed-panel designs, with a wide selection of glass, hardware and finish options to complement your bathroom.

Every Civic shower screen is made to measure and professionally installed, combining quality materials, precision manufacturing and over 30 years of experience.

Proudly Australian-owned and family-operated, Civic is based in Yatala and services South East Queensland and Northern NSW, including Brisbane, Gold Coast, Sunshine Coast, Ipswich, Toowoomba, Hervey Bay and Byron Bay.

6mm Semi-Frameless

Stylish, practical designs combining streamlined framing, versatile configurations and exceptional value.

10mm Frameless

Premium frameless designs with minimal hardware, architectural styling and extensive customisation.

CIVIC | SHOWER SCREENS & WARDROBES

The Perfect Finish!

10mm Hinged

Hardware: Brushed Gold
Glass: 10mm Clear Toughened Safety Glass

Configuration: Front Only - Door & 2 Fixed Panels with Header Brace

S3 Sleek

Hardware: Polished Silver
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless with Accessible Entry
Configuration: Front & Return - Door & Fixed Panel

6MM SEMI-FRAMELESS SHOWER SCREENS

Stylish semi-frameless design for everyday living.

Civic's 6mm range combines contemporary styling, practical functionality and exceptional value.
From the streamlined simplicity of S3 Core and S3 Sleek to sliding screens, bath screens and fixed panels, the range offers versatile options for bathrooms of all sizes.

FIND YOUR STYLE

S3 Core
Practical semi-frameless design with exceptional value

S3 Sleek
Minimal framing for a refined, contemporary look

Fix & Swing
Flexible access with a sleek frameless appearance

Sliding
Smooth sliding operation for space-saving bathrooms

Panels
Minimal fixed panels for open, modern shower spaces

6mm Semi-Frameless Shower Screen

S3 Core

Smart design.
Exceptional value.

S3 Core

Hardware: Polished Silver
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless with Accessible Entry
Configuration: Front Only - Door & Fixed Panel

S3 Core

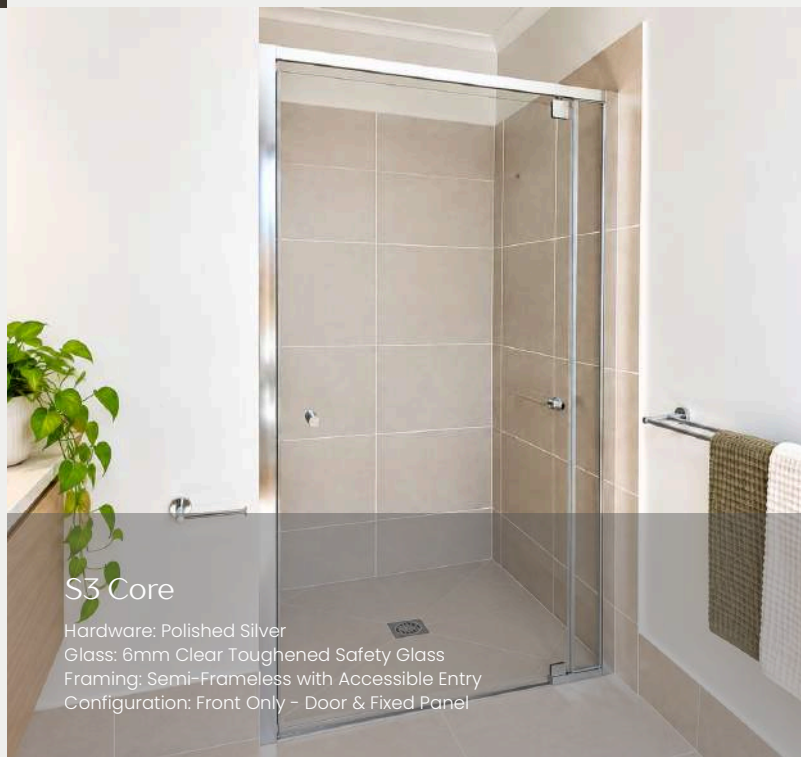
Hardware: Matt Silver
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless with Accessible Entry
Configuration: Front & Return - Door & Fixed Panel

The Civic S3 Core is designed around a carefully selected range of core configurations, finishes and hardware to make choosing your shower screen simple.

Featuring a frameless pivot door with semi-frameless construction, S3 Core delivers contemporary styling, reliable everyday performance and exceptional value.

Why choose S3 Core?

- Frameless pivot door
- Semi-frameless design
- 6mm toughened safety glass
- Streamlined Core selections
- 2000mm standard height
- Front or front-and-return configurations
- Accessible configuration available to accommodate NCC Livable Housing requirements
- Exceptional value



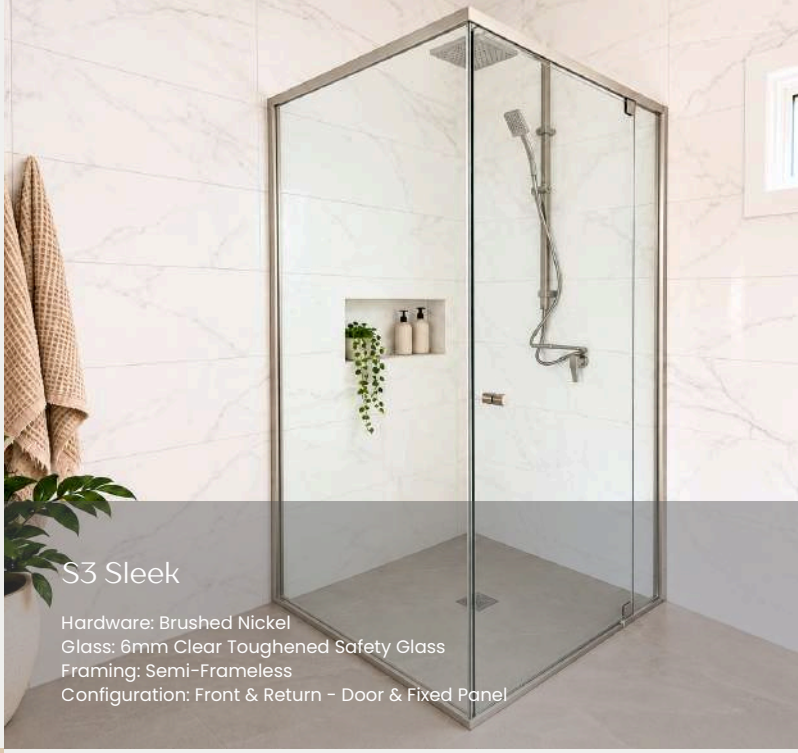
S3 Core

Hardware: Polished Silver
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless with Accessible Entry
Configuration: Front Only - Door & Fixed Panel

6mm Semi-Frameless Shower Screen

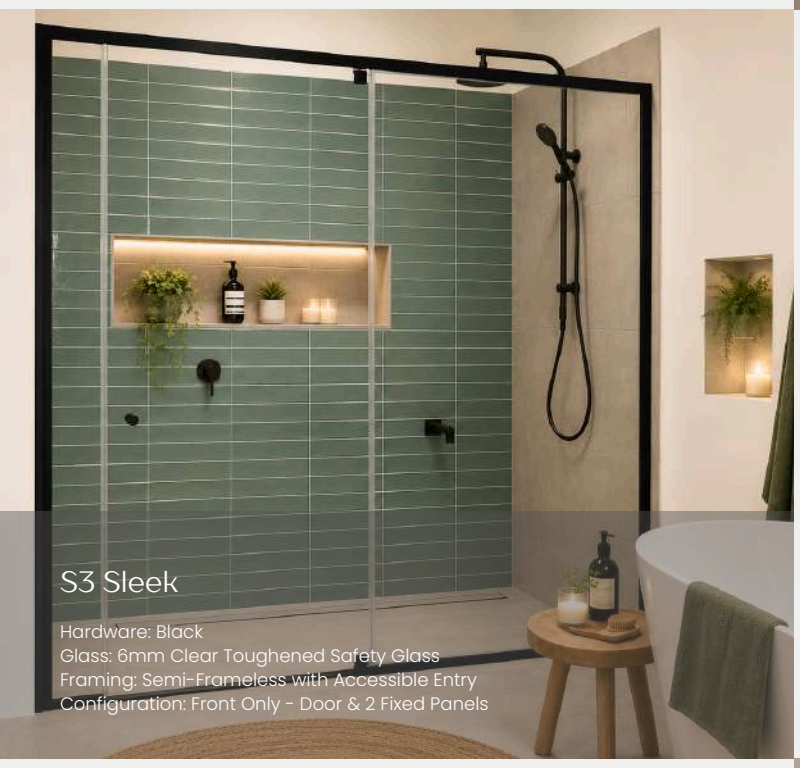
S3 Sleek

Minimal framing.
Maximum style.



S3 Sleek

Hardware: Brushed Nickel
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless
Configuration: Front & Return - Door & Fixed Panel



S3 Sleek

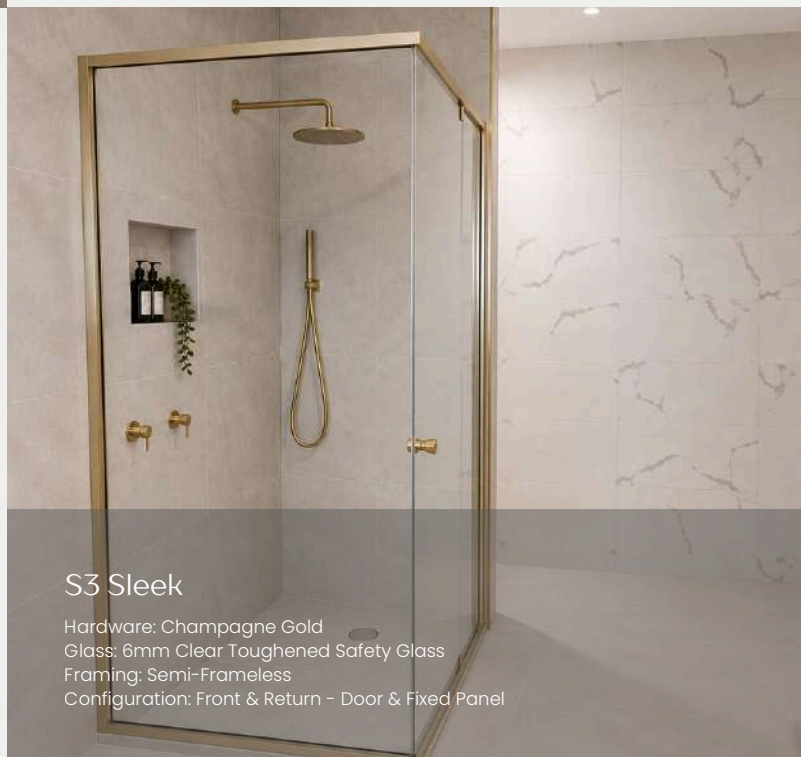
Hardware: Black
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless with Accessible Entry
Configuration: Front Only - Door & 2 Fixed Panels

The Civic S3 Sleek brings a refined, contemporary aesthetic to the 6mm semi-frameless range.

Combining a frameless door with minimal framing, custom sizing and an expanded choice of finishes, S3 Sleek offers greater design flexibility while retaining the practical benefits of a semi-frameless screen.

Why choose S3 Sleek?

- Frameless pivot door with minimal framing
- 6mm toughened safety glass
- Custom heights up to 2100mm
- Expanded hardware and frame finishes
- Flexible configurations
- Easy-care streamlined design
- Accessible configuration available to accommodate NCC Livable Housing requirements



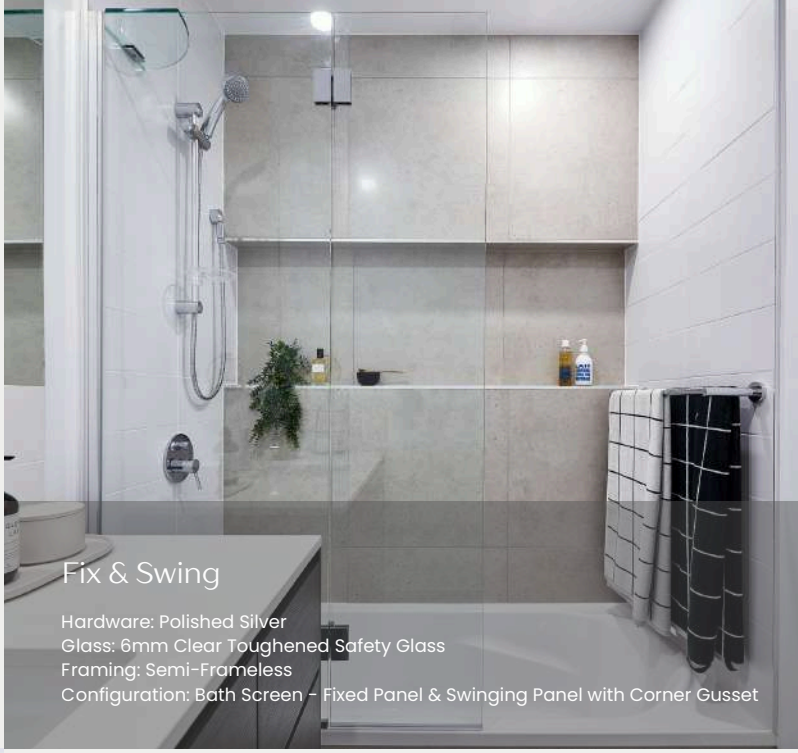
S3 Sleek

Hardware: Champagne Gold
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless
Configuration: Front & Return - Door & Fixed Panel

6mm & 10mm Shower Screen

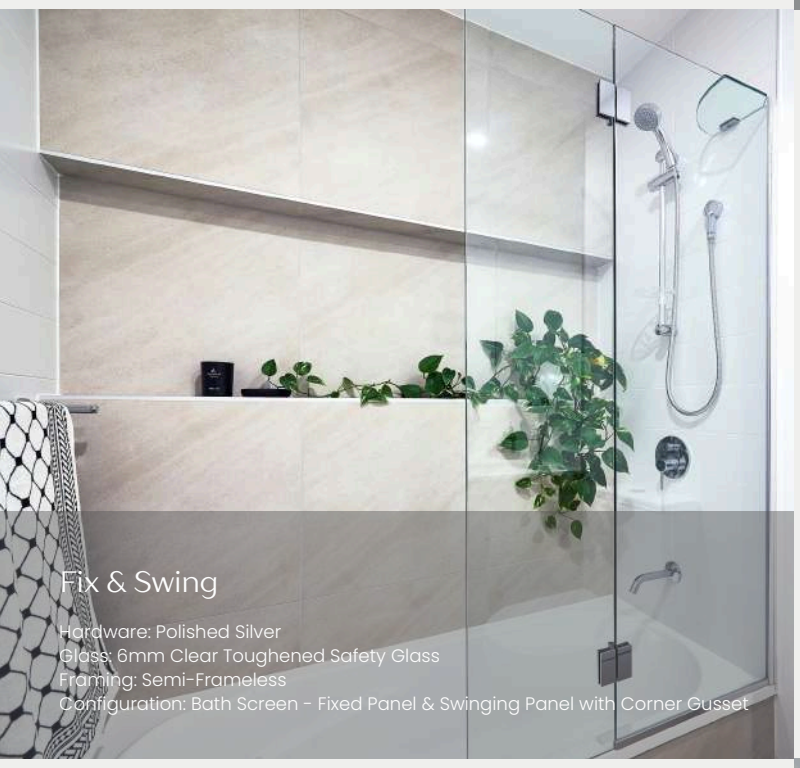
Fix & Swing

A smarter solution for shower-over-bath spaces.



Fix & Swing

Hardware: Polished Silver
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless
Configuration: Bath Screen - Fixed Panel & Swinging Panel with Corner Gusset



Fix & Swing

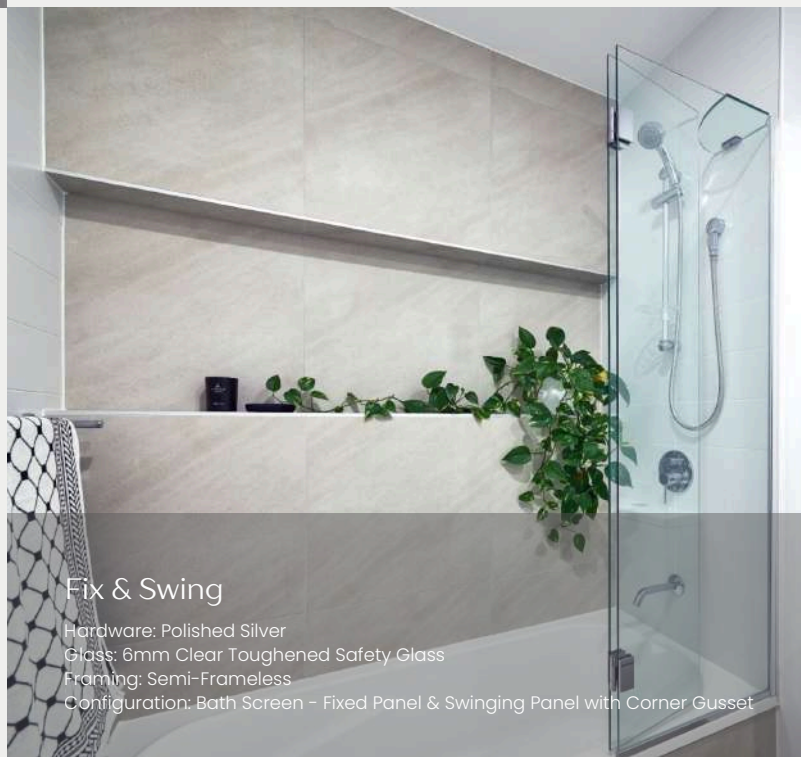
Hardware: Polished Silver
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless
Configuration: Bath Screen - Fixed Panel & Swinging Panel with Corner Gusset

Designed specifically for shower-over-bath applications, Civic Fix & Swing combines a fixed glass panel with a hinged swing panel to provide practical access while helping contain water within the shower area.

Its minimal appearance keeps the bathroom feeling open and uncluttered while making the most of limited space.

Why choose Fix & Swing?

- Designed for shower-over-bath applications
- Fixed panel with swinging access panel
- Space-efficient design
- Clean, minimal appearance
- Custom-made to suit your bathroom
- Available in 6mm and 10mm glass



Fix & Swing

Hardware: Polished Silver
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless
Configuration: Bath Screen - Fixed Panel & Swinging Panel with Corner Gusset

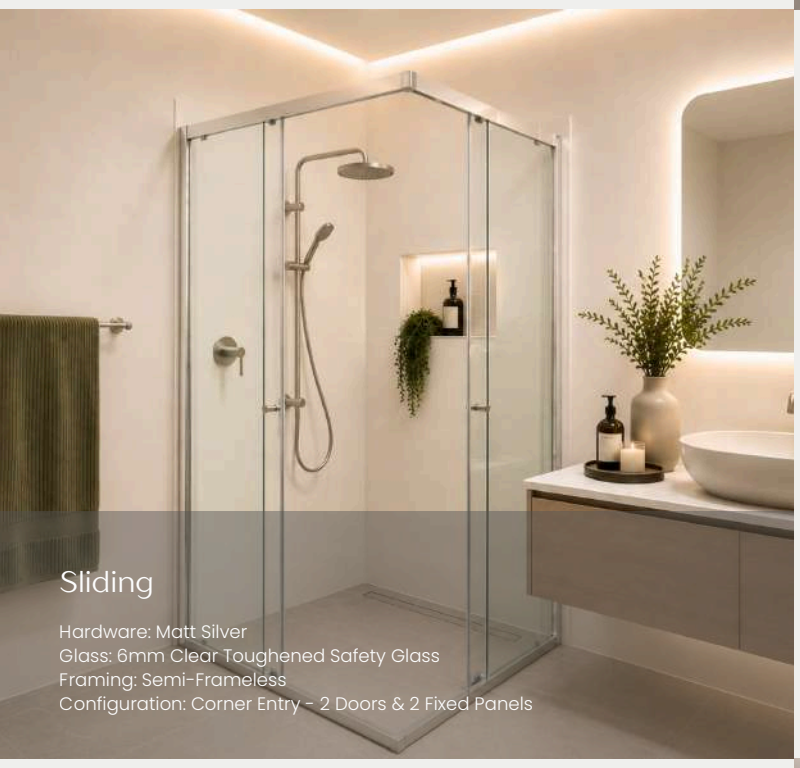
6mm Semi-Frameless Shower Screen

Sliding

Space-saving design for everyday living.

Sliding

Hardware: Matt Silver
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless
Configuration: Corner Entry - 2 Doors & 2 Fixed Panels



Sliding

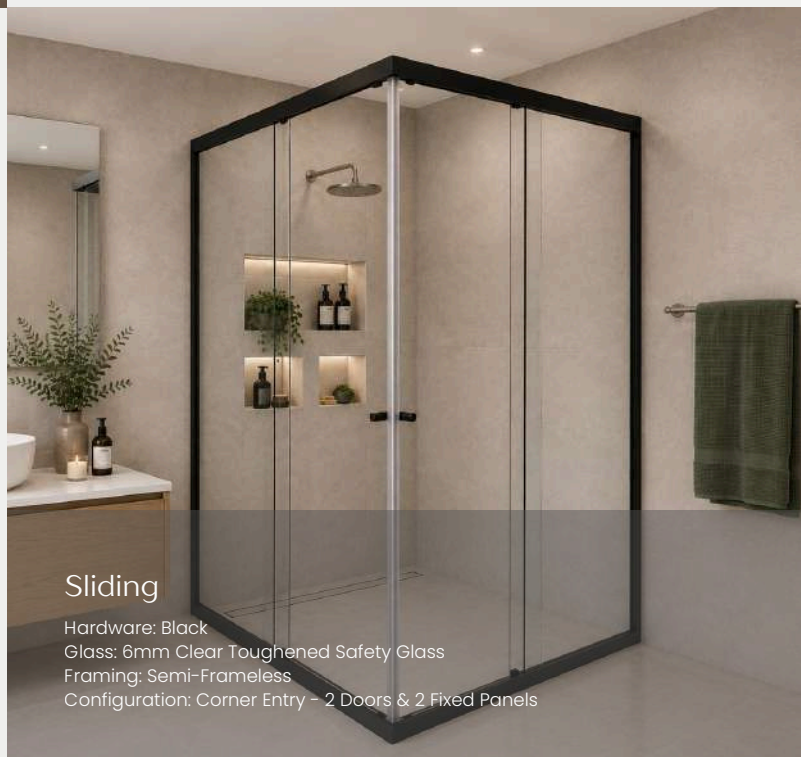
Hardware: Matt Silver
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless
Configuration: Corner Entry - 2 Doors & 2 Fixed Panels

The Civic 6mm Sliding Shower Screen combines smooth sliding operation with clean semi-frameless styling.

With no door swing required, it makes efficient use of available space and is particularly suited to ensuites and compact bathrooms, while remaining equally at home in larger family bathrooms.

Why choose 6mm Sliding?

- Smooth sliding door operation
- Space-saving design
- 6mm toughened safety glass
- Semi-frameless styling
- Front and corner-entry configurations
- Choice of frame finishes
- Easy everyday operation



Sliding

Hardware: Black
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless
Configuration: Corner Entry - 2 Doors & 2 Fixed Panels

6mm Semi-Frameless Shower Screen

Panels

Simple glass.
Open spaces.

6mm Panel

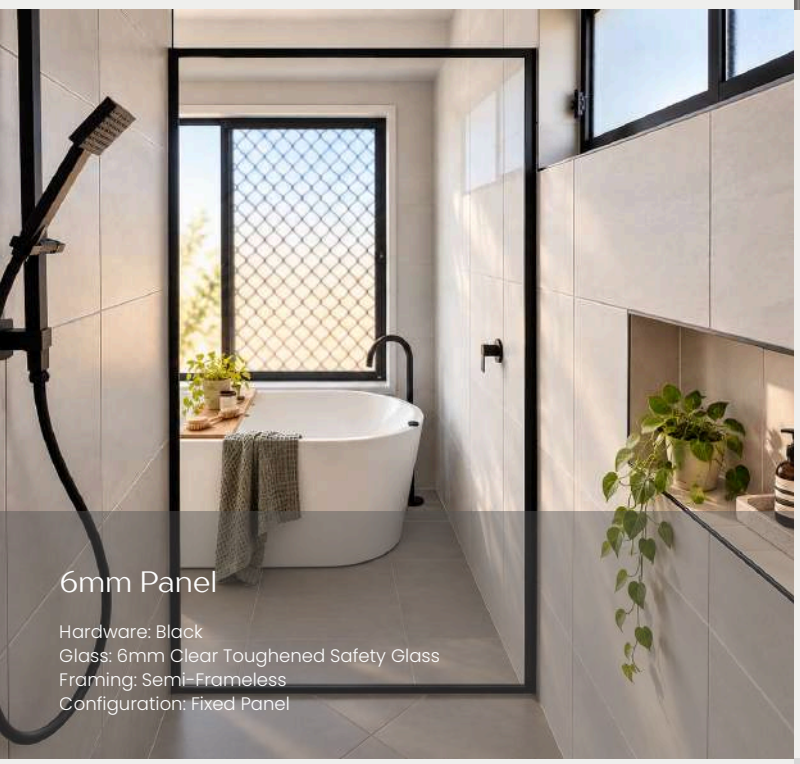
Configuration: Bath Screen - Fixed Panel with Corner Gusset



6mm Panel

Hardware: Black
Glass: 6mm Clear Toughened Safety Glass
Framing: Semi-Frameless
Configuration: Fixed Panel

Civic 6mm Shower Panels provide a light, contemporary alternative to a traditional enclosed shower screen.

Using toughened safety glass with minimal framing, each panel is custom-made to create an open shower space while maintaining the practical strength and stability of a semi-frameless system.

Why choose 6mm Panels?

- Open shower design
- Minimal framing
- 6mm toughened safety glass
- Custom-made to suit your space
- Contemporary streamlined appearance
- Choice of glass and frame finishes

Hinged

Hardware: Brushed Nickel
Glass: 10mm Clear Toughened Safety Glass
Framing: Frameless with Accessible Entry
Configuration: Double Enclosure - 2 Doors, 2 Fixed Panels, Divider & Return

The Civic 10mm Hinged Shower Screen combines premium frameless design with a wide-opening 180° hinged door, creating easy access and a clean, open bathroom aesthetic.

Custom-made to suit your space, its minimal hardware allows the glass to become the feature while an extensive range of glass and hardware finishes makes it easy to coordinate with your bathroom design.

Why choose Hinged?

- Wide 180° hinged door
- Minimal frameless appearance
- Custom-made for a wide range of layouts
- Extensive glass and hardware options
- Accessible entry configurations available
- 10mm toughened safety glass

Hinged

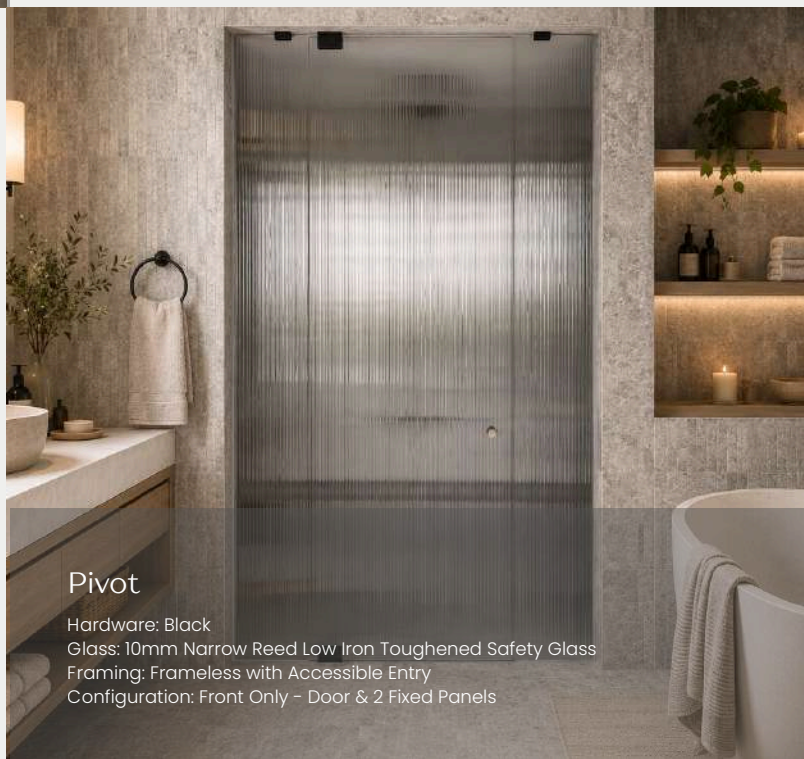
The Civic 10mm Pivot Shower Screen pairs a clean frameless aesthetic with smooth pivoting door operation, creating flexible access without compromising on style.

With minimal hardware and premium 10mm toughened safety glass, Pivot is a sophisticated solution for both compact and spacious bathrooms.

Why choose Pivot?

- Smooth pivoting door action
- Clean frameless appearance
- Flexible access
- Minimal hardware
- Custom-made to suit your bathroom
- Wide selection of glass and hardware finishes



Pivot

Hardware: Black
Glass: 10mm Narrow Reed Low Iron Toughened Safety Glass

Designer Framed

Hardware: Black
Glass: 10mm Euro Grey Toughened Safety Glass
Framing: Frameless with Framed Panels and Accessible Entry
Configuration: Front & Return - Door, 2 Fixed Panels & Return

The Civic 10mm Designer Framed Shower Screen combines the substantial feel of 10mm glass with bold architectural framing.
Rather than hiding the structure,

Designer Framed makes it a feature, creating a striking, contemporary shower screen that can be tailored through your choice of glass and frame finish.

Why choose Designer Framed?

- Statement framed design
- Premium 10mm toughened safety glass
- Strong architectural aesthetic
- Custom-made to suit your space
- Choice of glass and frame finishes
- Ideal for contemporary bathrooms and feature shower spaces

Designer Framed

Hardware: White
Glass: 10mm Super Clear Low Iron & Acid Etch Toughened Safety Glass
Framing: Frameless with Framed Panels and Accessible Entry
Configuration: Double Enclosure - 2 Doors, Fixed Panel & Divider

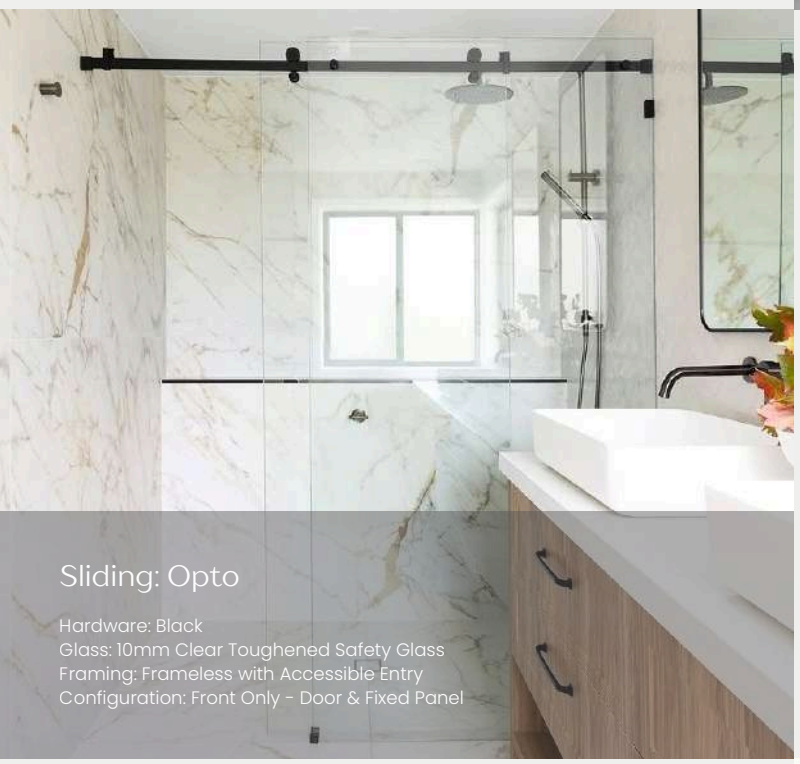
10mm Frameless Shower Screen

Sliding: Opto

Bold hardware.
Architectural impact.

Sliding: Opto

Hardware: Brushed Nickel
Glass: 10mm Clear Toughened Safety Glass
Framing: Frameless with Accessible Entry
Configuration: Front & Return - Door, 2 Fixed Panels & Return



Sliding: Opto

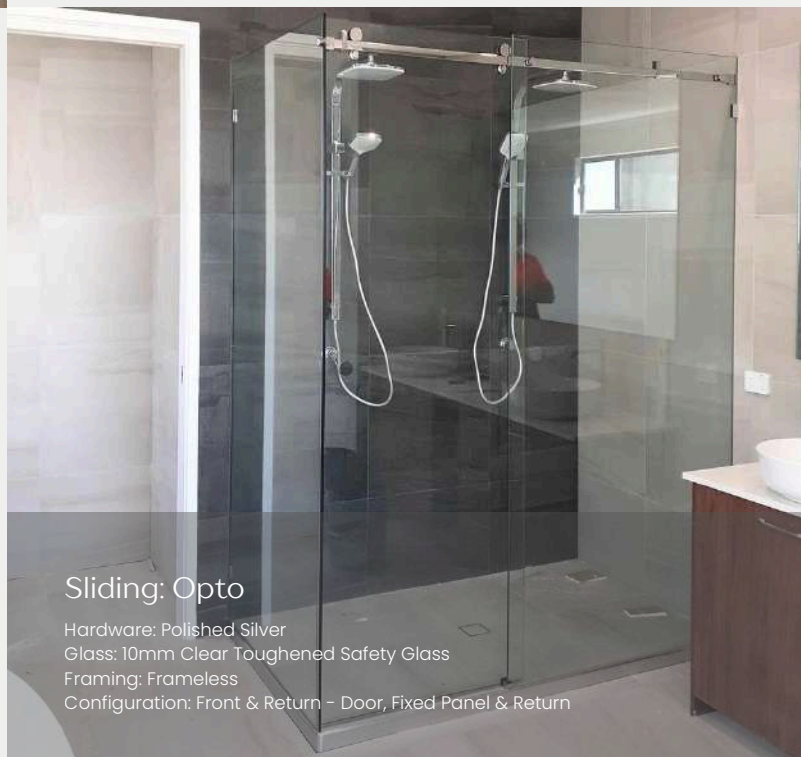
Hardware: Black
Glass: 10mm Clear Toughened Safety Glass
Framing: Frameless with Accessible Entry
Configuration: Front Only - Door & Fixed Panel

Opto turns the sliding mechanism into a design feature. Frameless 10mm glass is paired with exposed stainless steel hardware and rollers for a distinctive architectural look.

Its smooth sliding operation eliminates the need for door-swing space, making Opto as practical as it is striking.

Why choose Sliding: Opto?

- Statement exposed-roller design
- Bold architectural styling
- Smooth, space-saving sliding door
- Reversible opening direction
- Frameless 10mm toughened safety glass
- Suitable for a variety of bathroom layouts
- Accessible entry configurations available



Sliding: Opto

Hardware: Polished Silver
Glass: 10mm Clear Toughened Safety Glass
Framing: Frameless
Configuration: Front & Return - Door, Fixed Panel & Return

10mm Frameless Shower Screen

Sliding: Hydro

Smooth, streamlined and beautifully understated.

Sliding: Hydro

Hardware: Polished Silver
Glass: 10mm Clear Toughened Safety Glass
Framing: Frameless
Configuration: Front & Return - Door & Fixed Panel

Sliding: Hydro

Hardware: Polished Silver
Glass: 10mm Clear Toughened Safety Glass
Framing: Frameless with Accessible Entry
Configuration: Front Only - Door & Fixed Panel

The Civic Hydro Sliding Shower Screen offers the practicality of a sliding door with a softer, more streamlined aesthetic.

Its distinctive round head rail incorporates discreet internal rollers, creating smooth, quiet operation while keeping the overall design clean and refined.

Why choose Sliding: Hydro?

- Sleek round head rail
- Discreet internal roller system
- Smooth, quiet sliding operation
- Space-saving design
- Frameless 10mm toughened safety glass
- Suitable for shower enclosures and shower-over-bath applications
- Accessible entry configurations

Sliding: Hydro

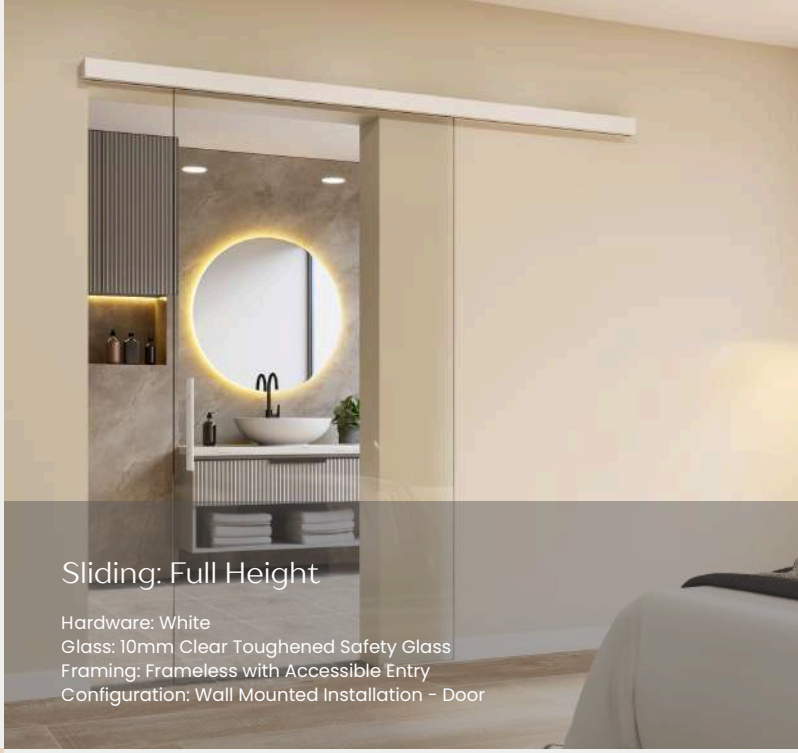
Hardware: Polished Silver
Glass: 10mm Clear Toughened Safety Glass
Framing: Frameless with Accessible Entry
Configuration: Front Only - Door & Fixed Panel

10mm Frameless

Shower Screen

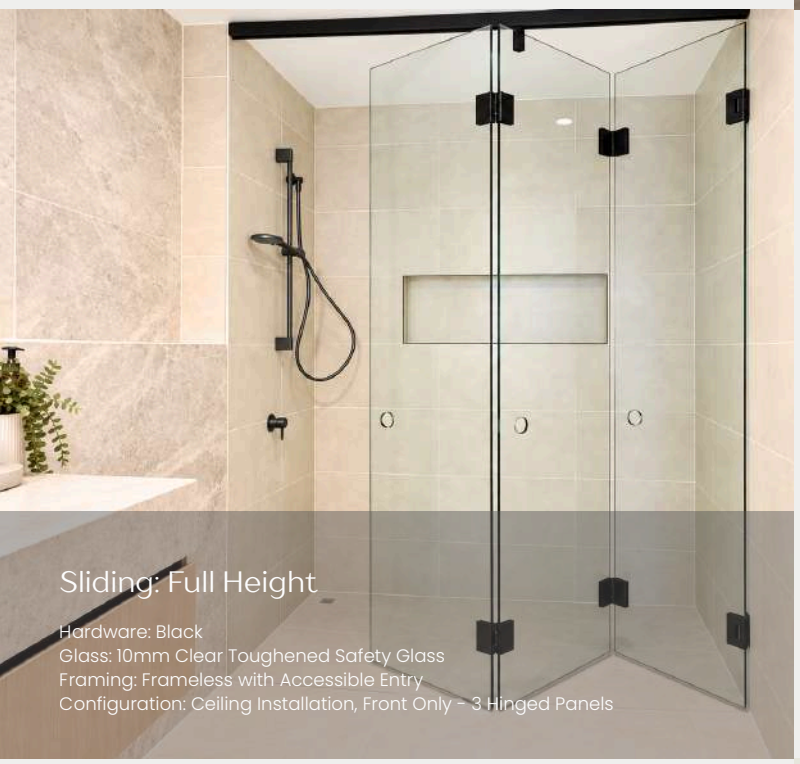
Sliding: Full Height

A seamless architectural statement.



Sliding: Full Height

Hardware: White
Glass: 10mm Clear Toughened Safety Glass
Framing: Frameless with Accessible Entry
Configuration: Wall Mounted Installation - Door



Sliding: Full Height

Hardware: Black
Glass: 10mm Clear Toughened Safety Glass
Framing: Frameless with Accessible Entry
Configuration: Ceiling Installation, Front Only - 3 Hinged Panels

For a truly minimalist finish, Civic's Full Height Sliding system conceals the sliding mechanism within the top track, allowing expansive frameless glass to take centre stage.

Designed for full-height applications, the system combines smooth, controlled operation with virtually no visible sliding hardware, creating an elegant architectural solution for bathrooms and interior spaces.

Why choose Sliding: Full Height?

- Concealed top-track system
- Frameless full-height glass
- Smooth, quiet sliding operation
- Controlled soft-close/open damping
- Minimal visible hardware
- Multiple wall and ceiling installation configurations
- Suitable for residential and architectural applications

Sliding: Full Height

Hardware: Matt Silver
Glass: 10mm Clear Toughened Safety Glass
Framing: Frameless with Accessible Entry
Configuration: False Ceiling Installation - Door & 4 Fixed Panels

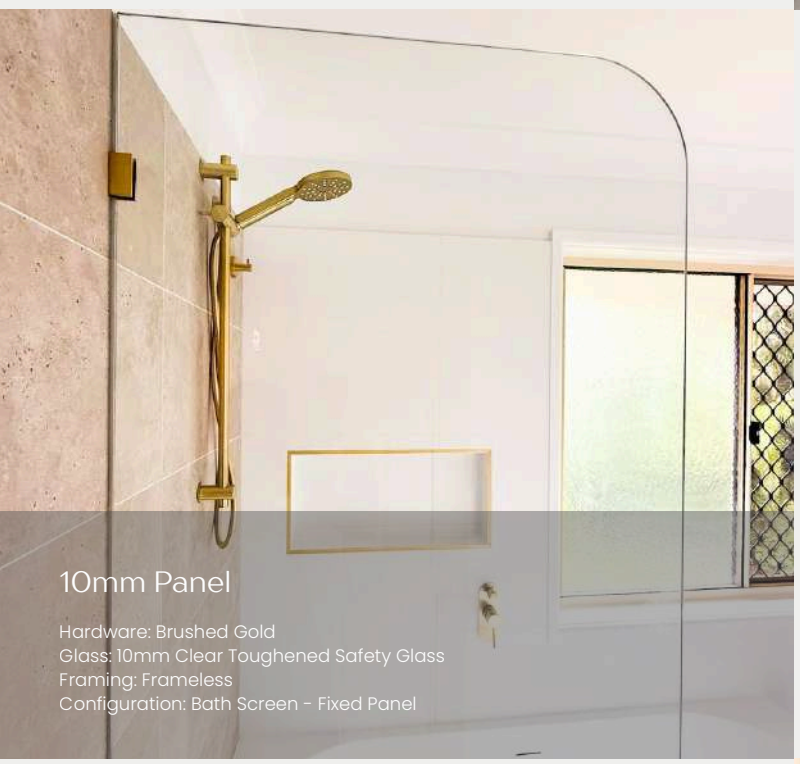
10mm Frameless Shower Screen

Panels

Open. Minimal. Effortless.

10mm Panel

Hardware: Black
Glass: 10mm Clear Toughened Safety Glass
Framing: Frameless with Accessible Entry
Configuration: 2 Fixed Panels



10mm Panel

Hardware: Brushed Gold
Glass: 10mm Clear Toughened Safety Glass
Framing: Frameless
Configuration: Bath Screen - Fixed Panel

Sometimes the simplest solution makes the greatest impact.

Civic 10mm Shower Panels use frameless toughened safety glass and minimal hardware to create open, spacious shower areas without the visual interruption of a door.

Custom-made to suit your bathroom, they are ideal for walk-in showers, wet areas and contemporary open-plan bathroom designs.

Why choose Panels?

- Completely open entry
- Frameless design
- Minimal hardware
- Premium 10mm toughened safety glass
- Custom-made for your bathroom
- Ideal for walk-in showers and wet areas
- Extensive glass and hardware options
