

Installation of Non-Civic Products Waiver

Acknowledgment of Risks

Civic Shower Screens and Wardrobes has been contracted to install a product that was not supplied by Civic. While Civic will exercise the utmost care during the installation process, it is important to acknowledge the inherent risks involved. Due to the nature of third-party products and their compatibility with Civic's installation methods, the following risks may arise:

- The product may not fit correctly or align with existing structures.
- Structural or material weaknesses in the product may lead to breakage, warping, or failure.
- The installation process could result in damage to the product or surrounding areas, including walls, floors, and other fixtures.

Acknowledgment and Acceptance

By signing this form, I acknowledge and accept the following:

1. There is a risk of damage during the installation of a non-Civic product that is beyond Civic's control.
 - Civic will not be held responsible for any damage that may occur as a result of the installation, including but not limited to damage to the product, surrounding areas, or existing structures.
 - I indemnify Civic for any costs associated with repairing damages caused by the installation of the non-Civic product.
 - I understand that Civic may be unable to complete the installation if the product is deemed unsafe, incompatible, or unsuitable for the intended space.
 - I acknowledge that I may need to arrange for another party to modify, repair, or reinstall the product if required.
2. Charges will still apply if the product is not onsite or incomplete, and Civic is unable to complete the installation as scheduled.

Warranty Disclaimer

Civic Shower Screens and Wardrobes provides no warranty, whether express or implied, for the installation of third-party products. Civic is not responsible for defects, failures, or damages arising from the quality, design, or structural integrity of non-Civic products. Any warranty claims should be directed to the original supplier or manufacturer of the product.

Australian Standards Disclaimer

Installation will be conducted in accordance with relevant Australian Standards wherever applicable. However, Civic cannot guarantee compliance if the product supplied is incompatible with these standards or is not designed to meet standard installation requirements.
